

Paul Johnson Alaska Certified Secondary Vocational Educator

Threeguysnowood.com is not affiliated with any school district or home school; however, as a certified type A Secondary Vocational Educator in Alaska Paul is willing to work with students and schools that participate in project based or standards based education.

History behind the name:

1996-2009 Paul, Guy 1, lived above the Arctic Circle in Barrow, Alaska. When you step outside, there is not a tree in sight for hundreds of miles! Working with the Original Guy he completed his teaching certificate. Always a woodworker, working on a wood lathe became a passion. While in Barrow, he met scientist Dan, Guy 2, whom had lived in Barrow for 23 years. He had 18 years of wood turning experience. Guy 3, Gary, had recently retired from being a wood shop teacher for 20 years. His Gal, not quite retired thought that Barrow would be an adventure! "Three Guys" worked and played, challenging each other to stretch their project ideas. Although all the "Guys" have recently left Barrow, we bring these many years of education and friendship to the Kenai Peninsula; and, are ready to work with you!

LOCATED AT THE 100th
MILE MARKER ON THE
STERLING HIGHWAY!

Looking for a new interest?

Threeguysnowood.com is now beginning our **SUMMER HOURS!** Learn to turn a bowl, or purchase one of our beautifully unique bowls!

REGISTRATION : CALL (907) 260-3350 to reserve your place!

It's YOUR turn to create something unique!

Basic Level: Wood selected and provided for you! You are guaranteed two final products that you have learned to create! One solid turned wooden bowl and one segmented turned wooden bowl. You will be taught the basic steps in working a wood lathe, common wood power tools, and instructed in the process of wood-turning!

\$125.00

Intermediate Level: Take your basic skills to a new level! Wood will be provided for you! You are guaranteed a completed project to take home! Your creative talents will be demonstrated in a larger bowl, or a more detailed segmented wood-turning project! \$125.00

Advanced Level: Your intermediate skills are ready to be challenged with an intricate segmented creation or your choice of wood-turning project! Learn how the beautiful bowls in museums and galleries have the intricate details!

\$125.00

PRICE INCLUDES LUNCH FOR FULL DAY PARTICIPANTS!
